Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. The market conditions is currently Stable. Due to suburban density and the lack of more suitable comparisons, it was necessary to over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the highway and commercial would not affect subject's marketability and both sides of the highway and commercial are similar market areas. There is lack of similar comps available within a mile so it was necessary to extend the search for comps. The subject should be sold in as-is condition. Value best supported by sold comp 2 and list comp 2, being the most comparable to the subject.</p>
