Comments Regarding Pricing Strategy		
<p>The MLS was searched for comparables with the following criteria:: GLA range of 1553 to 2423 square feet, within 2.5 mile radius, 1995 to 1997 year built range, and 10 months sale time for sold comps. Comparables that were in average condition were chosen. The comparables that were closest in size, age, style, location and room count were chosen for this report. Subject is located near major road, commercial, park and water bodies. This however will have no impact on value. In delivering final valuation, most weight has been placed on CS2 and LC2 as they are most similar to subject condition and overall structure.</p>
