<b>Comments Regarding Pricing Strategy</b>		
<p>Subject is a single family detached home. The subject is estimated to be in average condition based on exterior inspection. The comps were chosen based on the following criteria - GLA, proximity and condition. Sale period, room count, age and location were also considered while choosing comps for the report. All the comps chosen are GLA range within 25% sqft, within 2 miles proximity, 12 months sales period. Due to a lack of comparable with similar attributes in closer proximity search for comps had to be expanded in distance and sold date.</p>
