Comments Regarding Pricing Strategy		
<p>The subject is an SFR Colonial style home in average condition. Comparables exceed condition, style, bed bath count. Comparables have variances in garage count. Necessary adjustments are provided for the variance. Comparables garage count verified from the MLS pics. Initially sold date parameter was 90 days, due to limited comparables it was necessary to exceed 365 days sold date criteria, choose comparables are the best comps available in the market. The subject is located near a commercial area, school and a major road. However, which will not affect the subject's market value and marketability. Comparables s1 and s3 received multiple offers and sold for higher value than the list price. In delivering the final valuation, most weight has been placed on CS1 and LC1, as they are most similar to the subject condition and overall structure. The details were taken from the tax record.</p>
