| Comps are based on similarities of the subject's age, condition, GLA, and lot size. Comps are pulled within a 2 mile radius of the subject. Sold comps go back 12 months. Had to extend the radius and went back 12 months for sold comps due to a shortage of listings and sold comps. Extending the radius does not make any difference in value. |                    |                       |
