| <p>I exceeded the condition, bed/bath count, carport count and lot size due to very few comps availability. All comps are taken within 1 mile and GLA exceeded to +/-30%. The value and marketability will not be affected with the subject being located near highway. More weight has been given to CS2 and LC2 which are maintaining the overall value and structure related to the subject. Subject attributes are taken from the tax record.</p> |                    |                       |
