#### **Comments Regarding Pricing Strategy**

Subject price based on comps with close proximity and similar characteristics. Subject price heavily weighed by sold comps. SC1 weighed heaviest in price decision due to proximity and GLA similarities. LC3 most comparable due to proximity and GLA combined. Due to lack of similar comps in the area some variances such as date of sale and condition could not be avoided. Subject characteristics confirmed via tax records, records uploaded to show the same. No docs uploaded from client.
