Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. Value best supported by sold comp 3 and list comp 3, being the most comparable to the subject. Commercial presence for the subject would not affect the subject's condition or marketability. Due to the lack of more suitable comparisons and over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Subject appears to be currently occupied verified from the tax record. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
