Comments Regarding Pricing Strategy		
<p>The subject is the smallest plan in the area. There were no other comps of same size or smaller even within a 3 mile radius to utilize. The agent had to select the comps most similar to the subject in this several mile radius. Also, the agent had to search back up to 9 months for several comps in the same condo area. These were given the most weight with some adjustments for size.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
