Comments Regarding Pricing Strategy		
<p>The subject is condo high rise in average condition. As long as the subject is priced within the market value of the most recent similar comps within the subject property's area there should not be a problem with resale. Within 1 mile, 20% GLA +/-, Year built 20 +/-, there were limited comparable available in the subject neighborhood. Therefore it was necessary to exceed proximity up to 4.89 miles, closed date, year built. The comparable selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS3 and LC3 as they are most similar to subject condition and overall structure. Subject is located near residential, busy roads, highway, rr track, commercial and it won't affect the market value. The details were taken as per the tax record. There was no mailbox number. Address was verified by surrounding house numbers.</p>
