Marketing Strategy

| Suggested List Price | \$360,000 | \$360,000 |
| Sales Price | \$350,000 | \$350,000 |
| 30 Day Price | \$320,000 | -- |
| Comments Regarding Pricing Strategy | | |
| <p>Adjustments to the comps have been made, where necessary, to bring the comps as close to subject as possible for accurate pricing. The most weight has been placed on sold comp 2 which is most similar in condition and location. Subject is located in a populated area that can be marketed to most average home buyers. Subject list price should be competitive with the available list comps for maximum exposure with pricing emphasis placed on the pending list comps. 90 day marketing times are uncommon in this area so an increased list price above available list comps would be needed if 90+ day marketing time is the goal. Value is based on exterior only and the assumption the interior is in average condition. Any discrepancies in this assumption could affect the suggested value either way.</p> | | |
