Comments Regarding Pricing Strategy		
I arrived at this price conclusion based on the similarity of the comparable, the influence of the neighborhood, the condition of the subject property, and various other marketing factors. Any/all variations in the comps were taken into consideration when determining this price and it reflects my complete analysis. The repaired price was placed the same considering I did not observe any repairs/damages.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
