To locate comparables, it was necessary to exceed lot size in the report. Due to limited number of comparables, close date exceeds over 3 months for sold comps. The MLS search criteria looked for comparables with a GLA range of 878 to 1318 Sq.Ft. and within a radius of 0.25 miles from the subject. Comparables (CS2,CS3) received multiple offers which resulted in an increased final sale price relative to list price. In delivering final valuation, the most weight has been placed on CS1 and LC3, as they are most similar to subject condition and overall structure. Subject details are from tax records.
