Comments Regarding Pricing Strategy		
<p>Due to limited number of sold comparables, close dates exceeded 3 months for sold comps. The MLS search criteria looked for comparables with a GLA range of 1134 to 1701 sq ft and within a radius of 1 mile from the subject. Comparable (CS1) received multiple offers which resulted in an increased final sale price relative to list price. All comparables have similar location factors and support subject value and marketability. In delivering final valuation, the most weight has been placed on CS3 and LC1, as they are most similar to subject condition, and overall structure. Subject details are from tax records.</p>		

Clear Capital Quality Assurance Comments Addendum
