² Comp's "Miles to Subject" provided by Real Estate Professional.

³ Subject \$/ft based upon as-is sale price.

Listing Comments Why the comparable listing is superior or inferior to the subject.

Listing 1 Same complex. Same floor plan. NOT under contract, value might still be high. Updates to kitchen. Middle unit like subject.

Listing 2 Similar complex. Much higher HOA dues. Superior due to larger GLA. Not renovated but above average updating. Might be intentionally listed below market for quicker sale. New listing. There is new flooring throughout including laminate in the common areas and carpet in the bedrooms. This home also includes new vanities and accessories in the bathrooms.

Listing 3 Neighboring complex. Necessary to use a condominium as inferior comparable b/c no townhome available in ALL of Antioch with relaxed property characteristics. Overall, inferior due to less GLA, one less carport and a condominium. This complex has high non-owner occupancy like subject. NOT under contract.

Comments Regarding Pricing Strategy		
<p>SC1 is most weighted for this report. Same complex and floor plan. Affordable and entry level for this community. Very few available townhome comparables in this community. Subject is bracketed with inferior and superior comparables. Most important search criteria is location, GLA, age, condition, amenities, etc. January 2023 to present values have appreciated 5-10%. Currently appreciation has stalled, however, values stable due to continuing historic low resale inventory.</p>
