Subject property should be priced near mid low range of competing listings due to balanced of directly competing properties but slowing of pending sales within the past 120 days. Subject property would be expected to sell near mid range of adjusted recently closed sales with 90 days on market. This property was listed for sale 06/29/2023 for 2275,000 and was under contract in 11 days on market. Valuation assumes 90 days on market.
