<b>Comments Regarding Pricing Strategy</b>		
<p>Search was expanded to include this whole large semi-rural market area in order to find best comps &amp; to try &amp; bracket subject features. Every effort made to find/use comps with as close proximity as possible. In this case all of the comps are within 1 mile of subject &amp; 4 of the 6 are within 1/2 mile. Properties in this value range are still in high demand, in spite of rising interest rates. Rehabbed/remodeled properties are still selling at the top of the market.</p>
