Comments Regarding Pricing Strategy		
<p>Most weight given to sold comp 2 because it is most similar to the subject in sqft, location and age. The subject property and homes in the area have peaked and appear to be declining now. The Market is declining, down 10% in the last 6 months. The inventory of the homes in the area remains at an approximate 3 month supply. The comps that are being used are the best available for determining the value.</p>
