Comments Regarding Pricing Strategy		
The subject recently sold below market values most likely because it was a trust sale. I priced the subject towards the lower end of the sold comps because of the recent trust sale. I was forced to use a wide value range due to a limited supply		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
