<b>Comments Regarding Pricing Strategy</b>		
<p>Currently a shortage of Listed comps, it was necessary to expand radius &amp; criteria (style &amp; year built) to produce comps but comps are located in the Subject's market area, school district and zip code. Also a shortage of Sold comps that are one level without a basement. All Sold comps are located in the Subject's subdivision and comps were selected with preference for similar GLA, room count and weight placed on comps that have the fewest improvements. All Sold comps as adjusted and averaged provide a likely reliable indication of the Subject's value in the current market. No adjustment for age or acreage as there is no marketable difference.</p>
