Comments Regarding Pricing Strategy		
I went back 6 months and out in distance 1 mile. I did not need to relax my search criteria. The comps used are the best possible currently available within 1 mile and the adjustments are sufficient for this area to account for the differences in the subject and it's comparable properties.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes	The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
