Comments Regarding Pricing Strategy		
<p>Agent has used the best available comparable(s) with respect to relative distance, size, age and property type, suggesting they are good measures of value for the subject. Further research to find similarly sized properties that could tighten the value returned no properties, suggesting agent has used the best available. The comparable(s) appear to be reasonable substitutes for the subject, providing adequate support for the suggested list and sale prices. Subject sale price has been bracketed within the sold comps. Due to a shortage of inventory, limited similar comps were available at time of inspection. Therefore, expansion of all data was needed to locate comps and determine value. Adjustments have been made accordingly.</p>		

Clear Capital Quality Assurance Comments Addendum
