#### **Comments Regarding Pricing Strategy**

Search was expanded to include the surrounding areas in order to find best comps for subject & to try & bracket subject features. At any given time there are few, if any, comps available from subject tract. Every effort made to find/use comps with as close proximity as possible. In this case 5 of the 6 comps are from same tract, including 1 model match. Sold comp for outside the tract used in order to bracket subject features. The sold comps were weighed most heavily. None of the active comps are currently in escrow. Rehabbed properties still sell at the top of the market. Many sales do involve seller paid concessions-note that all 3 sold comps here had concessions paid.
