Comments Regarding Pricing Strategy		
<p>The subject is an SFR home in average condition. As long as the subject is priced within the market value of the most recent similar comps within the subject property's area there should not be a problem with resale. Within 1 mile, 20% GLA +/-, Year built 20 +/-, there were limited comparable available in the subject neighborhood. Therefore it was necessary to exceed proximity up to 1.04 miles, closed date, style, condition, lot size. Due to limited comps available, list comps were despite not bracketing the GLA since they were considered to be reliable comparables. The comparable selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS3 and LC1 as they are most similar to subject condition and overall structure. Subject is located near residential, busy roads, commercial and it won't affect the market value. The details were taken as per the tax record.</p>		

Clear Capital Quality Assurance Comments Addendum
