| Subject property should be priced near mid range of competing listings due to balanced supply of directly competing properties in this area but slowing of pending sales. This property would be expected to sell near high range of adjusted comps with 90 days on market. Subject property was sold 10/18/2023 for \$353,100 as cash sale, no concessions. It appears to have been priced for quick sale. |                    |                       |
