<b>Comments Regarding Pricing Strategy</b>		
Search was expanded to include this whole large area of Apple Valley in order to find best comps for subject & to try & bracket all of subject features. Every effort made to find/use comps with as close proximity as possible. In this case all of the comps are within 1 mile of subject & considered to be in same immediate market area. As is typical in a transitionin market, values are widely varied. Rehabbed properties do still sell at the top of the value range.
