Comments Regarding Pricing Strategy				

Subject property should be priced near mid low range of competing listings due to oversupply of directly competing properties in this area and slowing of pending sales. This property is most like Sale #3 which sold for adjusted sales price of \$340,000. This sale is somewhat aged (5 months) and subject property would be expected to sell near this price point with 90 days on market. This property sold for \$290,000 10/13/2023 with 8 days on market. Valuation for subject property assumes 90 days on market.
