Comments Regarding Pricing Strategy		
<p>Subject property should be priced near mid range of competing listings due to shortage of directly competing properties and high demand for pool properties. This property is most like Sale #3 which sold for adjusted sales price of \$536,900. It is identical in baths, garage capacity, lot size, pool and spa and nearly identical in age. It is inferior in no pool or spa but is superior in condition. This property was under contract in 21 days from price reduction. Subject property would be expected to sell near mid high range of adjusted recently closed sales with 90 days on market.</p>
