Comments Regarding Pricing S	trategy			

The search guidelines of year built, style, above grade GLA and lot size were expanded due to limited comparable homes in the market with recent activity. All styles used compete with no adjustment needed in this market area. The adjusted sold comparable homes are the best indicator of value as many of the active homes are currently overpriced and may see further price reductions. The home is priced over the previous list price as the home was listed and withdrawn on the same day and was not marketed properly.
