| Subject property should be priced near mid range of competing listings due to shortage of competing listings in this area but slowing of pending sales. This property is most like Sale #2, which sold for adjusted sales price of \$321,963. It was under contract in 5 days on market. Subject property would be expected to sell slightly above this price point with 90 days on market. This property was listed for sale for \$325,000 and sold for \$299,000 with 9 days on market. | | |
