Comments Regarding Pricing Strategy		
<p>I went back 3 months, out in 2 miles and I was unable to find 3 current listings and 3 sale comps Within 1 mile and with relaxing bedroom count search criteria I found 22 comps which I could only use 6 due to bedroom count, living square feet and age. The comps used are the best possible currently available comps Area and zipcode. The adjustments are sufficient for this area to account for the differences in the subject and comparables.</p>
