<b>Comments Regarding Pricing Strategy</b>		
<p>The subject is a basic home, the front yard is in poor condition and has poor curb appeal. The area is a mix of sfr and apartments. Had to expand search to find additional comps. The inventory of similar homes is low. The area is somewhat seasonal, most homes are listed and sold October - May, the cooler months in the desert. Homes that are not priced right for the current market have long DOM and tend to have price reductions prior to selling.</p>
