<b>Comments Regarding Pricing Strategy</b>		
<p>Since subject requires no repair, listing it as-is will save the pre-marketing time and limit total amount of capital invested. There's a shortage of comparables with similar living space within immediate area so expansion of sold date, search distance, age, value variance, and/or different style comp is necessary.</p>		

## Clear Capital Quality Assurance Comments Addendum

<b>Reviewer's Notes</b>	The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
