Comments Regarding Pricing Strategy		
<p>The subject is a manufactured built home but it is more like a single family site built home than a mobile home. The gated area has both manufactured built and site built homes in the area and they are basically the same and valued similarly. There were only two comps in the entire 2 mile radius that were manufactured built. The agent searched the entire rest of the city of Bakersfield and there were only several manufactured home comps on permanent foundation that were similar to subject.</p>
