<b>Comments Regarding Pricing Strategy</b>		
<p>The HOA information is taken from a sold comp in the MLS in the subject development with the same GLA/room count and has not been verified. Subject's floor number is assumed to be 1st floor given the unit number but not verified. There are limited listings in the subject's area and limited comps within all of the typical criteria. The date sold variance was expanded beyond 120 days as a result.</p>
