Comments Regarding Pricing Strategy		
<p>The subject is located in a very established area and all of the homes in the area are older in age, due to the fact the original home on this lot was torn down and rebuilt in 2013. The subject appears to be in similar condition to the other comps in the area, which differ in age, but these comps have updating which are comparable to the subject. Due to this fact, and the fact the subject is over 3,400 sq feet, the agent had to search out several miles for comps of similar size.</p>
