Comments Regarding Pricing Strategy		
<p>There were an insufficient number of comparables in the subjects market that bracket it's GLA and style but which are valuable and similar nonetheless in regards to overall size, condition and effective use. Necessary adjustments have been made. The comps were chosen based on the following criteria - GLA, proximity and condition. Sale period, room count, age and location were also considered while choosing comps for the report. All the comps chosen are GLA range 20% sqft, within 10 mile proximity, 12 months sales period. There was a lack of comparable available that bracketed the subject, that was within the required distance from the subject. For this reason, search radius was extended to bracket subject attributes and market.</p>		

Clear Capital Quality Assurance Comments Addendum
