Comments Regarding Pricing Strategy		
<p>The value as of today 06/08//2024 is \$335,000, with typical marketing time at 90 days. Subject is conforming to the neighborhood in GLA, lot size and age. It is adequately maintained, in average condition with adequately maintained landscaping. The property is located in an area of equal value homes; it conforms to other homes in regard to Proximity, GLA, Age, Condition, View, Style, Lot, Beds, & Baths. The market is beginning to increase as listings and sales are balanced. The subject was strategically priced at the high end of the market since most sold comps used were inferior in GLA. Due to a lack of more similar recent comps in this market, it was necessary to exceed guidelines. Comps selected for this report are all settled properties within the subject market area. They are considered to be the best available at the time of inspection and good indicator of market value. Note that overall market conditions have been taken into account in arriving at final opinion of value. Current sales, under contract sales and active listings have been considered.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
