<b>Comments Regarding Pricing Strategy</b>		
<p>I researched sold and list comps in a 1 mile radius and tried to bracket GLA age and lot size. All comps chosen have the similar locational influences and would be considered to be within subjects comparative market area. Most likely buyer would be owner occupied. Schools, places of worship, highway, playgrounds and parks in the area do not have a negative impact on marketability or value of subject. Due to age of subject and comps, some updates should be expected as maintenance. Comps chosen are the most mid range average comps available in subject's neighborhood. Data taken from MLS, tax records, Calif. Association of Realtors.</p>		

### Clear Capital Quality Assurance Comments Addendum
