Comments Regarding Pricing Strategy		
Subject property should be priced near mid range of competing listings due to shortage of competing homes in Green Valley East but slowing of pending sales. It would be expected to sell near mid range of adjusted comps with 90 days on market. This property sold for \$515,000 as probate sale 02/21/2024, sold over list price. Valuation assumes 90 days on market, typical marketing. MLS stated cash only offers considered however upon closing MLS states property was in good condition, needs updatqng.
