Comments Regarding Pricing Strategy		
Listing as-repaired will improve the subject's overall curb appeal and help with the marketing effort. There's a shortage of comparables with similar living space within immediate area so expansion of search distance, age, value variance, different style comp and/or lot size is necessary.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
