<b>Comments Regarding Pricing Strategy</b>		
<p>Subject is one of the smaller homes in the whole market area. Search very expanded to find best comps &amp; to try &amp; bracket subject features. Every effort made to find/use comps with as close proximity as possible. Currently there are no active comps within 2 miles of subject to bracket subject GLA at the low end. There are sold comps to bracket subject GLA. The best available comps are used here. Virtually every available comp within 2 miles of subject was evaluated for use as a comp &amp; the best available are used here. Subject will have good marketability due to value range. Many sales currently do involve seller paid concessions, usually for interest rate buy down &amp; this is something that should be expected with any offer currently.</p>
