<b>Comments Regarding Pricing Strategy</b>		
<p>It was necessary to extend search parameters in order to find the most comparable listings. There is an inventory shortage. All comparables are taken from similar neighborhoods. Subject property is noted to be in average condition from the exterior and is located in a residential area of similar homes with no adverse external influences noticed. I went back 12 months, out in distance 2 miles, and even with relaxing gla search criteria I was unable to find any comps which fit the requirements. Within 2 miles and back 12 months I found 10 comps of which I could only use 3 due to lot size factors. The ones used are the best possible currently available comps within 2 miles and the adjustments are sufficient for this area to account for the differences in the subject and comps</p>		

### Clear Capital Quality Assurance Comments Addendum

## Addendum: Report Purpose - cont.

**Report Instructions**

This section shows the instructions that were approved by the customer and provided to the broker prior to completing the report.

Instructions last updated: 07/29/2024

**Purpose:**

Please determine a Fair market price for this property at which it would sell in a typical marketing time for the area.

**Comparable Requirements:**

If any of the following comparable criteria cannot be met, the commentary is required as to why you expanded your search, and what the effect on price will be.

1. Use comps from the same neighborhood, block or subdivision.
2. Use REO comparables only if the market is driven by REOs and they are comparable in characteristics and condition.
3. Use comps that have closed in the past 3 months to show the current market conditions. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

**Property Condition Definitions:**

1. Poor: Uninhabitable or severely damaged from fire, flood, vandalism or mold
2. Fair: Repairs needed, may not be eligible for all forms of financing, below the neighborhood average
3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations
4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)
5. Excellent: Newer construction (1-5 years) or high end luxury
