Comments Regarding Pricing Strategy		
<p>The county tax data shows that the subject has 3 bathrooms. This would be exceptionally non typical for a home of this size and style. This will need to be verified. I had to expand the search distance to find comps of similar year built and size. No closer or better comps on the system at this time. Very limited active comps. No active comps that will be closer to the subjects value.</p>		

Clear Capital Quality Assurance Comments Addendum
