<b>Comments Regarding Pricing Strategy</b>		
<p>I went back 3 months, out in distance 1 mile , and even with relaxing bedroom count search criteria I was unable to find 3 current listings and 3 sale comps Within 2 miles I found 18 comps of which I could only use 6 due to bedroom count, living square feet and age. The comps used are the best possible currently available comps one within 2 mile of subject property but within the same MLS Area and zipcode. The adjustments are sufficient for this area to account for the differences in the subject and comparables. Due to the decrease in interest rates, competition has increased resulting in fewer das on the market</p>		

## Clear Capital Quality Assurance Comments Addendum
