Comments Regarding Pricing Strategy		
<p>The subject is in the middle of being trashed out. This area is mixed-use and has amenities. I went out 1 mile and back six months to find the best use of comps. The subject has minor repairs and deferred yard work. Used the best comps for the area, adjusted for differences in amenities, and came up with a good pricing with the work done.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
