Comments Regarding Pricing Strategy		
The recommended value of the subject property is based on the adjusted values of the sold comps, with the most weight given to sold comp 3 because it is the most similar to the subject. Due to a lack of comps within 20% of subject's square footage it was necessary to expand the criteria and use larger comps and make adjustments accordingly.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
