Comments Regarding Pricing Strategy		
Comps are based on similarities of the subject's age, condition, GLA, and lot size. Comps are pulled within a 2 mile radius of the subject. Sold comps go back 12 months. Had to extend the radius and went back 12 months for sold comps due to a shortage of listings and sold comps. Extending the radius does not make any difference in value.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
