Comments Regarding Pricing Strategy		
<p>Due to Suburban density and the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date and some recommended guidelines when choosing comparable properties. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. List 2 Comp were weighted the most and similar in bedrooms and lot size. Sold comparable 2 was weighted the heaviest due to GLA and close proximity.</p>
