Comments Regarding Pricing Strategy		
S3 and L3 were given the most weight as they both share the most similar characteristics to the subject. The properties used are the best possible currently available comps within 2.99 miles. Recommended market timing of 90-120 days to reach the highest sale price for this property. Any/all variations in the comps were taken into consideration when determining this price and it reflects my complete analysis.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
